Harbour Ferry Service Guide

Introduction

The harbour ferry links the old port of Portbrise with the island of Ile Verte. The crossing takes twenty-five minutes and the service runs every day of the year, including public holidays.

Timetable

From April to October the first ferry leaves Portbrise at 6.40 and then every forty minutes until 22.00. From November to March the interval is one hour and the last departure is at 20.30. Departures from Ile Verte take place twenty minutes after each arrival.

Fares

Tickets are sold at the harbour office and on the mobile application. Children under six travel free.

Ticket	Price
Single	4.50 EUR
Return	8.00 EUR
Ten crossings	36.00 EUR
Bicycle	2.00 EUR

Accessibility

Both ferries are accessible to passengers with reduced mobility. On board you will find:

- a ramp at the bow, used at both landings
- two wheelchair spaces on the lower deck
- an induction loop at the information desk

Dogs travel free when they are kept on a lead.

Conclusion

Passengers are asked to arrive five minutes before departure. In strong wind the harbour master may cancel crossings; cancellations are announced on the application at least thirty minutes in advance.
