Remote Work Policy

Purpose

This policy sets the rules for working from home at Northwind Logistics. It applies to all employees whose duties can be carried out away from the warehouses.

Eligibility

Employees become eligible after a probation period of three months. Team leaders decide on each request within ten working days.

Working days

Eligible employees may work from home up to two days per week. Tuesday is a common office day for all teams and cannot be taken as a remote day.

Equipment

The company provides a laptop, a headset and a second screen. A monthly allowance of 30 euros covers internet and electricity costs.

- equipment stays the property of the company
- faults are reported to the IT desk
- a docking station can be borrowed on request

Security

Work from public places such as cafes or trains is not allowed for tasks that involve customer data. The VPN must be used for every connection to the company systems.
